FY 2015 Statewide SDA Status Verification File

Verification File Descriptions

FY 2015 Statewide SDA Status Verification File: Information contained within this file must be reviewed and verified to be true, accurate and correct by each provider. If an error is found it must be submitted through use of the FY 2015 SDA Add-on Status Verification Form and certification statement. The file contains a list of the hospitals, their hospital specific identifying information and add-on status information.

There are three tabs contained within the folder which contain a list of urban, children's and rural hospitals. No action is required for rural hospitals (i.e. rural hospitals do not receive add-on amounts to their SDA's; this list is for informational purposes only).

Below are descriptions of several key columns in the FY 2015 Statewide SDA Status Verification File. Please be sure to verify all columns contained in the FY 2015 Statewide SDA Status Verification File.

Worksheet 1: SDA Status Verification File

Column B - **Texas Provider Identifier** - contains each provider's TPI. Please be sure the TPI in Column B is correct as it relates to your facility currently or as of (9-1-2014).

Column K - **CBSA Wage Index** - contains the reclassified wage index for each applicable hospital.

Column L - **Applicable Teaching Add-on (Medicare Operating IME%)** - contains the Teaching SDA add-on percentage from the Medicare operating IME percentage for each hospital.

Column M - **Designation Status** values are:

I - Facility is in active pursuit of a trauma designation

Y - Facility is currently trauma designated

Column O - **Applicable Trauma Add-on (Level I-IV)** - contains the trauma designation for each provider from the Department of State Health Services.

* To facilitate review of current 2014 Trauma designation, HHSC has included each hospital's 2013 Trauma designation to allow for easy comparison of changes in trauma designation status since last year.

Additional Supporting Files Descriptions

DSHS Trauma Hospital Listing: The Department of State Health Services list of the trauma hospitals

Texas - FY 2012 Final Rule- IPPS Impact File PUF: The file contains the Texas in-state hospital specific information from the impact file from the Medicare Final Rule for the Inpatient Prospective Payment System (IPPS). The second tab contains a variable description for each row in tab one. This file was used as the Medicare source data to determine the CBSA, reclassification, and the Applicable Teaching Add-on (Medicare Operating IME%).
