

Nursing Facility 2009 Payment Rates

House Bill (HB) 154 requires the Health and Human Services Commission (HHSC) to ensure that the rate component derived from reported liability insurance costs is paid only to those facilities that purchase liability insurance acceptable to the commission. To comply with HB 154, the portion of the general and administrative rate component derived from reported liability insurance costs has been excluded from the rates listed below. An add-on payment of **\$1.93** per diem will be paid to facilities that verify liability insurance coverage acceptable to HHSC.

Texas is transitioning from the Texas Index for Level of Effort (TILE) case mix system to the Resource Utilization Groups (RUG III) case mix system beginning September 1, 2008. For TILE determinations that expire between September 1, 2008 and November 30, 2008, the TILE payment rates will be equal to the TILE payment rates in effect during state fiscal year 2008. Effective November 30, 2008, all payments will be based on the RUGs rates presented below.
